Title I, Part A School-Level Parent and Family Engagement Policy

Albert Powel High School, with parents and family members, has jointly developed, mutually agreed upon, and distributed to, parents and family members of participating children in Title I, Part A programs the following requirements as outlined in the Every Student Succeeds Act (ESSA) sections 1116(b) and (c).

Albert Powell High School has developed a written Title I parent and family engagement policy with input from parents and approved by parents. Input from parents and other stakeholders (parents and family members who have limited English proficiency, parents and family members with disabilities, parents and family members of low-income students, and parents and family members of migratory children) was solicited through group discussions and surveys as part of our Comprehensive Needs Assessment. Parents are given opportunities throughout the school year to give their input on programs, policies, and participate in meetings and workshops at our school and local district level in order to make informed decisions about their child's education. Albert Powel High School, Family Engagement Policy describes how our school and parents will build and develop a partnership to help students achieve the state's high standards.

Albert Powel High School recognizes the value of a strong partnership between the school and parents, and the important role it plays in the academic success of our students. At Albert Powel High School, I, we strive to involve parents in a variety of programs with the goal of increasing academic achievement.

The School Site Council (SSC) is responsible for developing, revising, and approving the Parent and Family Engagement Policy annually. Copies of the policy are made available to all parents once SSC approval is received. Albert Powel High School, Parent and Family Engagement Policy is available in multiple languages and copies are accessible in the main office. The policy is also published on our school website. This policy describes the means for carrying out the following Title I parent and family requirements:

Parents have a voice in the development and progress monitoring of this policy. If there is a concern or a desire to change a part of the policy that is not satisfactory, then parents will bring that concern to the SSC for discussion. The site level parent engagement policy is in alignment with the YCUSD Parent Engagement Policy.
